Calcutta

Format and Rules:

- 2-Person teams established through blind draw. You will play with your teammate. Foursomes will be determined through the blind draw.
 - Example: 1st two drawn are teammates and the next two drawn are teammates and those 4 play together in a foursome.
- Each person will get 80% of their GHIN handicap and will play the tees that their handicap is derived from.
- 18 holes four-ball format with your 2-person team using the best low NET score per hole. Someone must finish the hole to post a score.
- Ball will be played down everywhere, except the bunkers where you can rake and place if desired.
 - This does NOT mean you can move the ball out from under a lip, you can just simply rake and place the ball back in its original position.
- Cost is \$25.00 per person (**this money goes to golf course improvements**) with an optional \$20.00 per team skins game.

Friday September 18th Auction

- Draw teams Friday evening (**around 8 p.m.**) and establish 4-somes.
 - You don't have to be present at the drawing of teams
- After 2-person teams are all drawn, we will auction those teams off in a live bidding format. **The moneys from the auction goes to payouts for "Day" money and the winners of the Calcutta.** After your team is purchased and before tee time on Saturday morning, you may purchase 50% of your team from the person(s) that bought your team. This isn't mandatory and the person(s) that bought your team does not have to seek you out to obtain the 50% stake, so please find the person(s) that bought your team if you would like to purchase your 50% stake. **You don't need to "gamble" to win money. A percentage of dollars is paid as "Day" money for winners of the Calcutta. Dollars and places paid will be determined by how much money is raised in the auction.**
